Coomera Shores is one of the original sections of Coomera. Located on the Banks of the Coomera River directly across from the World-Famous Sanctuary Cove, this quiet suburb of 178 homes is informally known as Coomera Shores and offers a very quiet lifestyle that the locals enjoy and rarely leave. Nestled away from the hustle and bustle of the Gold Coast this location is going to remain untouched by the growth of Concrete suburbs and will continue to offer the beachside lifestyle that creates the village feel.
