Embrace the essence of country living on part of this former dairy farm nestled at the base of Mt Pinbarren, just a stone's throw from the vibrant township of Pomona. With its picturesque setting and sweeping views of the Noosa Hinterland Mountains and lush valleys, this property offers a rare opportunity to own a slice of paradise.

The land boasts great pastures primarily of setaria, ideal for grazing cattle. Its rolling green hills provide a stunning backdrop to daily life, while a crystal-clear creek meanders through the property, adding to its charm and appeal. The property is well-fenced, predominantly split posts and 4-strand barbed wire, ensuring the safety of livestock and peace of mind for the owner. Additionally, three stock dams along with the creek, provide ample water supply for various needs.

The original farmhouse adds to the property's character and offers potential for future renovation or development.

With the Noosa Hinterland rapidly growing into an Eco-Tourism destination, properties like this one hold a variety of opportunities, be it a rural lifestyle retreat, wedding venue or just your own personal rural escape. STCA
