

A fantastic opportunity awaits!

100 Junction Road, Heathcote Junction

\$450,000-\$495,000

A fantastic opportunity for anyone looking for a peaceful, rural property while still being close to essential amenities. A few things to mention on this fantastic 16.65 acre approx. property.

Close to Heathcote Junction with train access to the CBD and easy freeway access. This is great for commuters or anyone wanting a quieter lifestyle without being too far from the city. Located just off North Mountain Road with only 300m of dirt road to the front gate. Privacy and space with few neighbours and room for the kids to play, this could be ideal for someone looking for privacy and room to stretch out. The land has potential building sites (STCA), Properties like this are rare, especially in such a desirable location.
