### 18 Bent Street, Paddington

#### Auctioned

A flawless terrace rebuild has created a refined urban sanctuary blending heritage charm with contemporary elegance, tucked away in a quiet pocket of Paddington between Oxford Street's buzz and the leafy calm of Centennial Parklands. Light-filled interiors feature a timeless palette of European Oak and Carrara marble, with polished concrete and brass accents lending a metropolitan edge. Whole-floor living is designed for entertaining, flowing to a landscaped courtyard garden where curated lighting creates an enchanting evening ambiance. The home also offers a master with ensuite, a second bedroom with French doors and Juliet balcony, skylit living spaces, and a top-floor third bedroom with office zone, all just 200m from Oxford Street cafés, boutiques and a short stroll to Centennial Park and Queen Street.
