50 Jacksons Creek Way, Gisborne

Sold

Nestled in the picturesque Macedon Ranges, this timeless red brick Federation-style residence combines classic elegance with modern functionality. Situated on a generous 1,307m² (approx.) corner block with dual side access, this property boasts enviable street appeal and beautifully established private gardens.

Step inside to discover spacious interiors featuring three generous bedrooms plus a study, ideal for a home office or extra guest bedroom. The master suite, complete with ample storage and easy access to one of the two well-appointed bathrooms. Multiple living spaces provide a perfect balance for relaxation and entertaining, complemented by a functional open-plan kitchen that seamlessly connects to the family/meals area-perfect for daily living and hosting guests & boasting picturesque views to Mt Gisborne.

The outdoor areas continue to impress, with a semi-enclosed undercover entertaining space ideal for alfresco dining, and a separate private courtyard offering tranquil moments among the lush greenery. Whether you're enjoying a weekend barbecue or relaxing in the garden, this home caters to your every lifestyle need.

Additional features include:

- Double glazed windows to living room
