19 Gecko Court, Woombah

Sold

Give me a home among the gum trees is how the iconic Aussie song goes and that is what you get at 19 Gecko Court, Woombah. The leafy suburb of Woombah has long been one of the North Coast's and Northern River's little secrets. This small acreage property, spanning 4399spm, is located 14km from the coastal town of Iluka on the northern side of the mouth of the Clarence River. Nestled in the peaceful countryside, this property offers a tranquil escape from the hustle and bustle of a busy life.

19 Gecko Court amplifies many of these tree change/sea change elements. Framed by natural bushland, it offers great privacy from neighbours. The large backyard is perfect for kids and pets to play, and the surrounding nature provides a serene backdrop for outdoor activities. There is an internal home yard that provides a safe environment for younger children to enjoy while being supervised by the adults enjoying the massive outdoor entertaining area.

Internally, the home has a thoughtful, family-friendly floor plan perfect for families or those who will be entertaining guests. With five bedrooms and three living spaces, there is plenty of room for family and friends to enjoy. It is in a peaceful cul-de-sac, and extra shedding rounds out an impressive small acreage package.

Our owners have cherished their time at Gecko Court, which has been a wonderful place to raise their family. However, their farming roots are beckoning them back to rural land. Don't
