Situated on the 2nd floor with 180 degree views of the CBD below, this apartment is spectacular in appearance and design and is in a private and fully secured building, with ducted air conditioning, a lift and full intercom security system. This amazing unit is truly huge with over 394m2 of living space, with a 3 zone open plan lounge area, 2 bathrooms and a massive wrap around balcony with an undercover alfresco entertaining area, ideal for those New Years Eve parties to watch the fireworks over the Bay with the family.

Featuring 4 double sized bedrooms, with 2 of the bedrooms opening onto private balconies, the gourmet kitchen is designed for hosting large parties, the views by day are beautiful, but by night time the lights of the CBD are simply stunning through the massive floor to ceiling windows. The Magnus has an Internal heated swimming pool, a communal games room, car washing bay, plus a 2 car garage with storage. All within the heart of the CBD with its vibrant cafes and restaurants and only moments from the Marina and the Beach.
