Rising above one of Dover Heights’ most coveted dress-circle streets, this exquisite architectural residence delivers a rare fusion of scale, innovation and breathtaking outlooks across Sydney’s city skyline, harbour and ocean. Designed by acclaimed architect Michael Folk, the tri-level layout has been meticulously crafted to maximise light, elevation and visual drama, while offering uncompromising luxury at every turn. A statement in contemporary coastal living, it features multiple living domains, seamless indoor/outdoor entertaining, lift access to all levels and a spectacular rooftop terrace with 270-degree views from harbour to horizon. Resort-style landscaped gardens frame a heated swimming pool and cabana, creating a private sanctuary. With extensive garaging, cutting-edge security and a prized position moments from coastal walks and Bondi Beach, this is a world-class home of enduring prestige.

Property Features:
