

Oceanfront Magic in Majestic Manyana

3 Sunset Strip, Manyana

Price By Negotiation

There are some places where the sea feels like it belongs only to you – where the horizon stretches endlessly, the breeze carries the salt of the ocean, and every sunrise feels like a private show. This is one of those rare places.

Offered for sale for the first time in over 30 years and perched on the shores of breathtaking Inyadda Beach, this stunning three-bedroom beach house embraces panoramic views sweeping north to Cape St George and Point Perpendicular, and south across the vast open ocean. From the moment you step inside, the ever-changing blues of the sea are the backdrop to daily life.

Inside, the warmth of polished Cypress Pine flooring flows through the open-plan design, grounding the home with natural beauty and a touch of timeless coastal charm. Generous living areas invite you to slow down and savour the views, before spilling out to an expansive hardwood deck – the perfect stage for long summer lunches, sunset drinks, or watching whales breach and dolphins play.

Upstairs, the intimate mix of generous bedrooms, second living area and a sunroom flow, inviting family and friends to gather, relax, and share in the magic of this spectacular location.
