Here's your chance to restore this character-filled residence to its former splendour and unlock its full potential. Nestled in a sought-after location, it provides a perfect blend of seclusion and accessibility, with the town centre just moments away.

The classic masonry exterior, boasting a distinctive 'chiselled brick effect', beautifully complements its timeless design. Inside you'll find a spacious layout featuring three bedrooms, a generously proportioned living area and a practical kitchen complete with a separate pantry. The bathroom offers both a shower recess and a bathtub, accompanied by a separate toilet for added convenience.

Adding to its appeal, a side driveway provides covered parking and access to the lock-up garage with a workshop area. Additionally, there's a separate outbuilding perfect for storing garden tools and equipment.

While the home may require some updating and repairs in the decor department, its potential is undeniable, particularly given its prime location. Don't miss out on this exceptional opportunity.
