Step into a home that redefines contemporary living. This super-sized, recently built four-bedroom residence showcases ultra-modern design paired with effortless functionality. Each bedroom is generously proportioned, easily accommodating Queen to King-sized beds, and all come complete with built-in wardrobes. The expansive open-plan living area brings the kitchen and loungeroom together in a light-filled, welcoming space-perfect for everyday living or entertaining on a grand scale. The designer kitchen is complemented by a butler’s pantry so large it rivals many full-sized kitchens.

Comfort is assured year-round with full reverse cycle ducted air conditioning, while a separate powder room, oversized laundry with appliances, and a double lock-up garage with internal access and electric door add practicality. Outside, the low-maintenance grounds and covered rear entertaining area complete the picture.

Currently returning \$700 per week with existing tenancies and offered fully furnished, this is an impressive investment or stylish future home (after the 12 month lease expires) with immediate income.
