16/8 The Strand, Williamstown

Sold for \$1,190,000 (Jun 05, 2025)

Wake up every day to a glorious Hobsons Bay panoramic views. By day its sparkling water, moored and sailing yachts and passing ships coming into dock and by night its twinkling bayside lights.

Enjoy the fabulous lifestyle on offer in a renovated two storey town residence with one the most enviable addresses in town and when you are not enjoying your view you are within a short stroll of the shops, restaurants, cafes and boating clubs.

Park your car in the oversized garage because you probably won't need it. The garage was recently re-engineered and extended to approximately double the size it was previously and this provides exceptional storage space plus plenty of room to park. This superb space could be utilised in many ways, the options are enticing.

The striking timber flooring sets the quality expectations and the rest doesn't disappoint. Downstairs, a sumptuous and well designed central bathroom and two bright and spacious bedrooms, both have well fitted wardrobes. The rear bedroom has direct access to the charming courtyard garden.

Upstairs is all about light, open space and those views! Open the doors, step out onto the front facing balcony and enjoy the sea breeze.

A lovely generous kitchen with adjoining laundry and powder room, excellent storage and split system heating and cooling on this level as well.

Location and lifestyle shine brightly here. An affordable opportunity to buy in a prized location, don't miss it.
