## 18/8 The Strand, Williamstown

Sold

Kick off your home ownership journey with a glorious Hobsons Bay panoramic view. By day its sparkling water, moored and sailing yachts and passing ships coming into dock and by night its twinkling bayside lights. Kick back in a luxuriously, freshly renovated two storey town residence with one the most enviable addresses in town and when you are not enjoying your view you are within a short stroll of the shops, restaurants, cafes and boating clubs. Park your car in the garage because you probably won't need it. The smart renovation is really something to enjoy as well and it's all new. The striking solid parquetry timber flooring with toe warming slab heating sets the quality expectations and the rest doesn't disappoint. Downstairs, a sumptuous and well designed central bathroom with incorporated laundry is complimented by the convenient upstairs powder room. The two bedrooms are bright and spacious and both have well fitted wardrobes. The rear bedroom has direct access to the charming courtyard garden. Upstairs is all about light, open space, those views and a pristine new kitchen. And features like double glazing, split system cooling, great storage, zero to spend on improvements and minimal ongoing maintenance all make this the ideal lifestyle package.

Property ID: L26588118

Property Type: Townhouse

Garages: 1
